Allowable Subject Matter

The following is an examiner's statement of reasons for allowance: the prior art did not teach or suggest a combination instrument for a motor vehicle having a liquid crystal display, wherein the light-guiding plate extends out of a housing of the combination instrument to a windshield of the motor vehicle in order to inject into the light-guiding plate the light which is incident into the motor vehicle through the windshield. The prior art of Jueliger (U.S. 5,490,005) does not teach the specific arrangement of the light-guiding plate within a motor vehicle.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
